**REASONS FOR APPEAL** Sections 678 and 686 of the Municipal Government Act require that the written Notice of Appeal must contain specific reasons for the appeal.

**I do hereby appeal the decision of the Subdivision/Development Authority for the following reasons:**

The approval of this development permit, with its relaxations of garage height and area, will completely shadow my rear yard, and interfere with and negatively affect the use and enjoyment of my property.

The Development Authority's approval violates the Section 35(d) and 36(a) rules of the Land Use Bylaw 1P2007. The Authority failed to consider the compatibility and impact of the proposed development with respect to my adjacent home, and approved it when the proposed development will materially interfere with or affect the use and enjoyment of my property.

I, other neighbours, and my community association asked the file manager and the architect many times to provide a shadow study to enable everyone to make an informed decision on the compatibility of the design with respect to the affected neighbours. None was ever provided.
