PLANNING, DEVELOPMENT & ASSESSMENT

Dear Community Association Planning Representative/Committee,

A new development has been proposed in your community and we are sending you this information about it so you can tell us what you think. In addition to the information about the proposed development, you will also find a **Community Context Questionnaire**.

The Community Context Questionnaire is the way we learn about impacts this development may have on your community. We send it to Community Associations early in our development permit process so that your input can be discussed with the applicant proposing this development and so it can be considered by City staff as they review the development permit.

Please complete the enclosed questionnaire and return it within the next three weeks. An electronic version of this form is also available on our website at [www.calgary.ca/development\\_permit\\_forms](http://www.calgary.ca/development_permit_forms). The completed questionnaire can either be mailed to the file manager or emailed to [dp.circ@calgary.ca](mailto:dp.circ@calgary.ca).

Thank you for taking the time to complete the Community Context Questionnaire. Your input is greatly appreciated. If you have questions or concerns related to this development permit, please contact the file manager directly at any point in the review process.

Best Regards,

Planning, Development & Assessment
