Summary of Community Response to the Erlton School Survey

September 8, 2019

The attached survey was sent to all Erlton residents in late February 2019, as well as posted on our website with the link mail-dropped to all residents, and posted in the May Elbow Scene. It was open to responses through the end of May 2019.

47 responses from 37 households were received. The following summarizes the responses:

First choice (total more than 100% because a few people put two or more as equally first choice):

- 72.3% (34/47) of the respondents selected Park/community facilities as outlined in the ARP (e.g. community garden, recreational centre, green space)
- 8.5% (4/47) selected Non-market housing within current MC-Gd72 guidelines (e.g. townhouses for low-income seniors, affordable housing)
- 4.3% (2/47) selected Non-market housing above current MC-Gd72 guidelines (e.g. apartments for low-income seniors, affordable housing)
- 17.0% (8/47) selected Market housing within current MC-G guidelines (e.g. townhouse condos)
- 4.3% (2/47) selected Market housing above current MC-G guidelines (e.g. apartment condos)
- 6.4% (3/47) selected Community oriented commercial such as health care or day care facilities, paid parking
- 2.1% (1/47) selected Social uses such as supported housing, emergency shelters (eg. Inn from the Cold)
- One each (2.1%) selected Other as follows:
 - Green space/Parking Lot – something to generate revenue for the community
 - Nursing Home

Most popular **second choices**:

- 19.1% (9/47) selected Non-market housing within current MC-Gd72 guidelines (e.g. townhouses for low-income seniors, affordable housing)
- 12.8% (6/47) selected Market housing within current MC-G guidelines (e.g. townhouse condos)
- 12.8% (6/47) selected Community oriented commercial such as health care or day care facilities, paid parking

The above were also the most popular third choices.

Many of the comments were geared around exploring the use of the existing building for community purposes. Complete results with names and addresses redacted may be obtained upon request.
