Dear Mona,

This letter is in follow up to our February 22, 2019 correspondence, informing the Erlton Community Association that the Calgary Board of Education (CBE) had declared the Erlton Centre property surplus to CBE requirements and that we would be pursuing disposition of the property.

At the time of our last letter, we had indicated the CBE would be providing the City of Calgary with a Right of First Refusal to purchase the property. We can now confirm that the City of Calgary has decided to act on that purchase offer, and as of April 30, 2020, the property was formally sold to the City of Calgary.

Future use of the property will be at the discretion of the City of Calgary. Should you have any questions, please contact:
